Dear Volker,

On behalf of Homes For Our Troops (HFOT), our Veterans and their families, **thank you** for your gift and **WELCOME** to the HFOT family. This year we are celebrating our 15th anniversary and it would not be possible without the dedication of our supporters like you.

Sovereign Hydroseal LP's donation in the amount of \$27,500 will help advance our mission to build and donate specially adapted custom homes nationwide for severely injured post-9/11 Veterans. Together we are making a difference in our Veterans' lives.

Army Private First Class Heather Kready was deployed in 2006 to Afghanistan where she experienced a severe injury resulting in partial paralysis from the waist down. Now medically retired and raising her two children, Heather struggled in her previous home where every day activities such as cooking and doing laundry were a challenge. On October 6th, 2018, Heather received the keys to her HFOT home in Cartersville, GA. Recently, she expressed what this new home means to her: "The home is set up so there is plenty of space to navigate. It has taken so much of the worry away. I don't have to worry about who will take care of me. I spent part of my 20's and a greater part of my 30's with the fear that I would be this object of pity. I can be the woman I choose and use the stimulus that my injury presents as a reason to grow. Without the idea of the home and now the home itself, the fear and pain would have kept me prisoner. What I most like about the home is the freedom it means. But the bathroom is my favorite spot and the closet...and my bedroom...and the kitchen...and the windows. It is an amazing thing what light can do for the soul surrounded in darkness."

A top rated Veterans and Military Charity, with a commitment to excellence in stewardship, Homes For Our Troops is proud to report nearly 90 cents of every dollar spent is invested directly into supporting the Veterans we serve. There are many powerful ways for your organization and employees to give back to those who have defended our country and need HFOT's support, including sponsorships, matching gifts, and employee giving opportunities.

Your feedback is valued and greatly appreciated. Please don't hesitate to contact Matthew McGuire, Manager of Corporate Philanthropy, at 508-823-3300, Ext. 220 or by email at mmcguire@hfotusa.org. I also encourage you to visit our website (www.hfotusa.org) and follow us on social media to learn more about our Veterans (including Heather), their stories, and how your continued partnership can support them and the many others deserving a Homes For Our Troops specially adapted custom home.

Sincerely,

William D. Ivey
