Hydroseal Australia (Pty) Ltd
PO Box 346
BELMONT WA 6104

Attention: Mr. Tony Van Niekerk

Dear Tony

A full inspection of the VR3A ventilation rise was carried out by myself on 29 December 1996. The scope of works for Hydroseal involved the chemical watersealing and high pressure cement grouting of two flat joints approximately 55 metres below the collar of the rise. This letter is to inform you that the water inflows have been sealed to our satisfaction.

Yours faithfully
Kanowna Belle Gold Mines
